

The Russian National Jamboree “Symbirian Breeze 2008”

Dates: the 20th of July — the 1st of August

Place: Ulianovsk region, Melekesskiy district, Nikolskoe-na-Cheremshan (a village)

Organizers:

- The Russian Scout Organization (RSO);
- RSO office in Ulianovsk region “The Association of Scouts”;
- The Administration of Ulianovsk region.

Participants:

The Russian National Jamboree is open for scouts and scout organizations all over the world. Each scout group on the territory of Russian can participate in the Jamboree. It have to fill in the application form, pay the participation fee, get acquainted and sign

The Conditions and Regulations form in advance. 4000-5000 participants are expected.

Division of the participants:

All the participants are divided into Scout Villages (1000 people). There will be organized about 5 scout villages. In each village the participants are subdivided into subcamps (200-300 people). The Management Committee is responsible for division of all the participants in accord with application forms.

Each village has got its own name, tie and symbols. Each village is headed by the monitor, subgroups - by the head of a subgroup (a grown-up scout leader) together with the director of a subgroup. The head staff is responsible for maintenance and administartion of a subgroup.

All the participants live in a tent camp.

Food:

Each delegation prepares meals for itself. Breakfast, lunch and dinner time is fixed for all the participants. Meals are cooked on the open fire or cookers (have to be agreed with organizers). Monitors and directors of subcamps supply people responsible for cooking (in each subcamp) with necessary provision.

Jamboree Market:

There will be organized a special market zone where the participants can buy food, books on scouting and gifts.

First Aid Points:

On the Jamboree territory there will be the first aid point, ambulance and mobile hospital.

Security:

The Jamboree territory is guarded by private security agencies.

Inhabitants of each village organize their own security groups (of grown-up scouts) which guard a village territory every night according to a timetable.

IT unit:

There will be an IT Unit tent on the Jamboree territory. According to a timetable the participants can have an access to the Internet.

There will be a Press Centre tent to make announcements and inform the participants in time.

Subcamp «Staff»:

There will be organized a special subcamp «Staff» to settle maintenance and administrative questions. To become a member of a «Staff» group an applicant has to fill in a special form.

Visit Day:

During the Jamboree we are expecting visits of governors, mayors and VIP guests. There will be organized press conferences and round tables.

Fee:

Each participant have to pay the fee — 1000 rubles (for Russian participants) and **100 euro (for foreign guests)** for food, a tie, stripe, Jamboree participant record book, badge)

The application form have to be filled in and sent to Management Committee address.

!!! Deadline: the 30th of April 2008

Necessary Equipment:

Each delegation must have:

- tourist equipment
- personal scout equipment
- first aid kit

Bathing:

Bathing in the river is permitted only in a special place according to a timetable for each subcamp. A subcamp appoints people responsible for security during bathing in the river.

Special subcamps will be organized for **guests, disable children and orphans**. They will be engaged in daily activities according to the Jamboree programme.
