

Russian Doll Skittles

You require :-

- Photocopy of doll template
- Card
- Plastic bottles (2 litre) or small Actimel Bottles
- Coloured pens or pencils

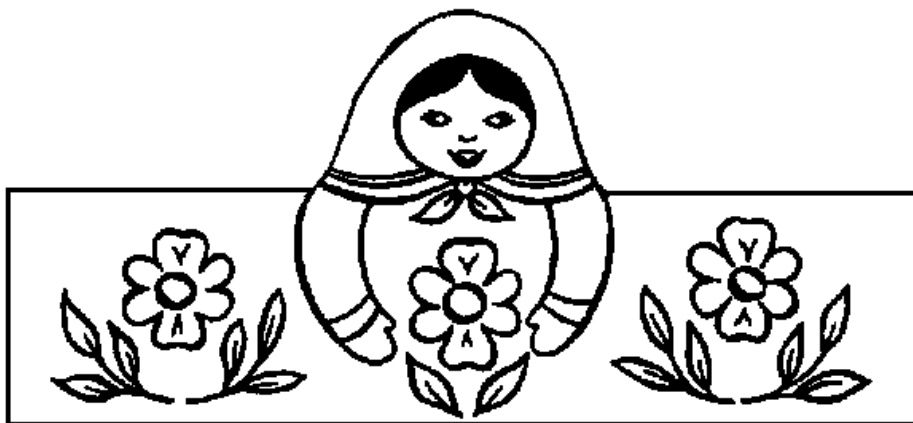

Method :-

- Colour the appropriate dolls template
- Wrap the dolls around the bottles
- Play skittles

Leaders Notes

Photocopy Russian doll templates approximate size.

You can make these Russian dolls as either full size floor skittles using two litre drink bottles, or as table-top skittles using small Actimel bottles which are ideal when they are filled with sand to hold them up.
