Chewing Gum!

How they play it in Russia !

How to play the Game:

- ◆ Divide the players (Colony / Pack / Troop / Unit) into two teams.
- ◆ Toss a coin for who goes first.
- ◆ The first team bind themselves together, using arms and legs, as if they are a piece of 'Chewing Gum'.
- ◆ On the word GO, the second team have to pull the chewing gum apart. Once one piece (person) is free from the others they remain out and cannot return.
- ◆ The first team is timed from the word GO until the last two pieces (people) are parted.
- ◆ After a recovery break the second team bind themselves together and is timed in the same way.
- ◆ The team who last the longest is the winner. Each member of the team receives a piece of chewing gum of course.
