

Russian Winter Expedition
St. Petersburg
February 2012

Network Russia Scout Activity Support

The Network Russia Scout Activity Support are again organising a Winter Cross Country Skiing/Winter Activities/Camping Expedition to the St Petersburg Area of Russia over the UK School Half Term in February 2012.

The main aim of the Expeditions is to introduce Leaders, Scout Network & Explorer Scouts to the opportunities available in Russia for Winter Expeditions and Activities in weather conditions that are rarely available in Britain. The visit will give an international element to Leader training / experience. Leaders may also wish to consider the area for future Scout Camps and Expeditions and the training required prior to such an undertaking.

The proposed dates for the expedition are School Half-Term weeks in February 2012. Most likely dates are 17th to 25th February 2012, subject to flight availability, etc. (Other dates may be arranged if half term differs from those above.) Flight out may be on the Friday, or return on the Monday, depending on flights available. The total cost should be not more than £950. (Costs subject to flights and general increases.)

(Please indicate local half term dates on the attached form)

The Expedition will be based on indoor accommodation, 2 hours train journey north of St Petersburg, although one or two nights may be spent under canvas during the trip. It is also intended to spend two/three nights in St Petersburg.

Participant may be invited to a training / information day after registering an interest. Numbers will be limited due to the accommodation and in order to ensure a balanced programme with our Russian hosts.
